The personal information contained on this form is collected pursuant to Section 32c of the Freedom of Information and Protection Privacy Act, Part 17 of the Municipal Government Act, and will be used for the purpose of application review and analysis and may include notification to various County or Provincial Departments or agencies; and adjacent landowners and/or municipalities in which the application and/or related correspondence is copied and circulated. The application process can be viewed in our Land Use Bylaw #258 on our website at www.svofficepl.com. If you have any questions about this collection, please contact the Planning and Development Department, Summer Village Office at 780.586.2494.

One copy of the following plans, specifications and documents **must** be submitted with the application:

Site Plan

A site plan to scale, showing:

Yards, Building, Parking

The proposed front, rear and side yards, locations of all existing building, and any provisions for off-street loading and vehicle parking and access and egress points to the site.

Water Wells and Septic Tanks

Show distances from neighbour's pump-outs and well sites. Water drainage, septic and water wells must be identified.

Grading and Drainage

An application for a new building shall contain a drainage and grading plan.

Construction Drawings

Floor plans, elevations and sections, including all height and horizontal dimensions. In the case of a dwelling, an architect's rendering of the finished building and the buildings on adjacent lots.

Construction Drawings must also include **elevation drawings**, which show the viewpoint of the lot from the lake or road, with the proposed building in relation to the existing buildings on the subject and neighbouring lots.

Distances from **neighbour's pumpouts and water wells** must be shown.

Note: Cantilevered extensions, bay windows, chimneys, eaves and other extending features will not protrude into the required side yards.

Real Property Report (Surveyor's Certificate)

A real Property Report or a Building Location Certificate prepared by an Alberta Land Surveyor when renovations or additions are being added to an existing property, OR when an existing building(s) are totally removed or demolished.

Accuracy of Building Placement

If the proposed development is for a new building, you may be required to submit a Real Property Report, prepared by an Alberta Land Surveyor, after the footings have been installed, but before any flooring or framing work has commenced, certifying the building under construction meets the yard and setback requirements of the Land Use Bylaw and the Alberta Building Code.

Development Permit Fee Fee is \$10.00 per \$10,000 worth of development costs; Permit Fee enclosed is \$_____ (Minimum fee is \$100.00)
